**WECAMP RESERVA
ALECRIM
YOUR RETREAT
DESIGNED BY NATURE**

wecamp Reserva Alecrim, located between Melides and Santiago do Cacém, is the hidden paradise on the south coast of Portugal where wild nature and bucolic landscape meet to give way to an authentic eco resort.

This corner of the Atlantic Ocean, surrounded by lush forests, rolling hills and crystal clear waters, will be the ideal destination for those who want to relax in a setting where panoramic views, nature trails and gentle breezes combine with an environmentally friendly experience.

AN EXCLUSIVE EXPERIENCE IN THE HEART OF NATURE

Between valleys and lakes, this sustainable eco resort redefines the concept of outdoor relaxation thanks to Casas do Lago with private jetties, duplex dome tents, wooden bungalows with suspended terraces and villas with private pools. Exclusive and sustainable accommodations designed to connect with nature

wecamp aims to lead a new generation of innovative and sustainable eco glampings, respectful with nature and people, where design and quality are in tune with the beauty of the destination. Its aim is to bring hotel standards to glamping to revolutionise the outdoor tourism sector.

wecamp is committed to comfort, design and sustainability, in fusion with the environment, to welcome those who are looking for more than just glamping and connect with nature.

Discover glamping that is environmentally responsible and carefully integrated into nature for an experience that will make you feel the authentic wellbeing of belonging in the place where you are.

The accommodations follow a philosophy of minimal intervention, in harmony with the destination, giving prominence to the outdoors.

wecamp Reserva Alecrim has numerous communal areas, such as the heated dome pool, the biological pool or the infinity pool, all located around a privileged landscape surrounded by four natural lagoons.

wecamp Reserva Alecrim has two restaurants, the main restaurant overlooking the biological pool with Sun Beds for relaxing and the shop restaurant with a range of tapas of local produce overlooking the main lake. Ideal for a relaxing day in the sun on its pontoons with complimentary towels and sun loungers for a pleasant swim.

Finally, the sunset lounge where you can enjoy our cocktail menu will be the oasis of peace, framed by panoramic views, where you can enjoy spectacular sunsets.

LUXURY STAYS DESIGNED BY NATURE.

The comforts of a hotel transferred to an eco glamping. This is the philosophy pursued by wecamp Reserva Alecrim, which offers all kinds of hotel services; breakfast basket with local products delivered to your accommodation, own brand wine and olive oil, massage service, free amenities... The ultimate wecamp experience in its most premium version in this hidden paradise on the south coast of Portugal between Melides and Santiago.

wecamp has an App for our wecampers which brings together in one place the most attractive and diverse proposals offered by wecamp Reserva Alecrim. You can book activities and experiences in a comfortable and easy way and you have all the useful information with a geolocated map! Download the app and discover our Local Guide to complement your stay; a proposal of the best places recommended by locals: beaches, restaurants, craft shops and tourist attractions. Our app is available for all iOS and Android mobile devices.

DESIGN, COMFORT... AND SUSTAINABILITY!

AS GREEN AS POSSIBLE CAMPS

wecamp integrates sustainability as a pillar of its strategy seeking to generate a positive impact on its environment. We promote the authenticity and uniqueness that Alentejo has to offer. We believe that the sustainability of our activity is related to our commitment to the preservation of the environment and the development of the local community.

We establish partnerships with the locals, we operate with conscience to reduce the environmental impact by implementing sustainable and respectful accommodations with the existing landscape and preserving the fauna and flora species. Our biological swimming pool is completely free of chemicals and its maintenance is 100% natural. We spread the culture, customs, values and traditions of the Alentejo coast. We offer more authentic products and experiences that favour the local economy through the purchase of quality products made or grown nearby, such as our own wine and oil.

Committed to sustainable tourism development in the framework of the Sustainable Development Goals 2030 (SDGs), promoted by the United Nations, wecamp aims to contribute to a more responsible and respectful economy with the planet. It is therefore committed to green and energy-efficient buildings. It also collaborates with the protection of the environment, actively supporting actions for the conservation and recovery of native flora and fauna.
